

Resonating Vowels

Down and Out
Now and Then
Who are you
Me and mine
Far away

Here today
Gone tomorrow
A loud sound
A round tone
Hold your vowels

The moon on the one hand, the sun on the other.
The moon is my sister, the sun is my brother.
The moon on the left hand, the sun on the right,
My brother, good morning; my sister, good night.

Now entertain conjecture of a time
When creeping murmur and the pouring dark
Fills the wide vessel of the universe!
